with gratitude from students and staff...

To my work mom,
Couldn't thank you enough for
all of the help and guidance that
you have lent me over the last
three years. It will be weird
dialing 6618 and not hearing
your voice! Enjoy retirement in
your campervan! -Jon Amico

Here's to the amazing Sue
Murray, the real MVP of DECA!
Always there with a smile and a

skills will stick with us forever.
Wishing you a happy retirement
where you travel and dance your
way through the next phase of
life. -Margie Dunlap

more than required. Throughout
your years of service in our
school, you've been a welcoming
face for countless students and
we know that WHS will miss you
dearly. Thank you, Mrs. Murray!
-Class of 2025

work that you give every day.
We will miss you, have a great
retirement! -Class of 2027

Sue, I would like to express my
gratitude for your many years of
support, loyalty, and friendship.
You were my source of strength
and in many ways my caretaker.
It is so true that it is not what we
have in life but who that matters.
I am truly blessed to have had
you in my life. Thank you, Sue,
for everything. -Linda Peters

Congratulations, Sue! Your hard
work and attention to detail have
been a lifesaver on so many
occasions in the time that we've
worked together. You always
seem to know the answer to
questions, or you're able to find
out or figure it out. Enjoy all the
relaxation and freedom of
retirement! Best wishes!
-Mollie Dickerson

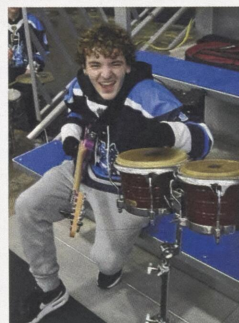

Congratulations on a well
deserved retirement, Sue! I will
miss our funny and random
conversations on my walks
through the office. You deserve
all the rest, relaxation, and fun
you can get! Enjoy it all, thanks
for everything! -Carolyn Athens

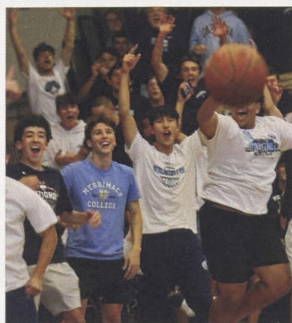

Sue, You have been such a
positive force at WHS for so many
years. Thank you for your
dedication to the school and staff
and for your friendship. I will
never forget the "Thriller" dance
you choreographed for the staff
and student performance at the
talent show. I loved it. I wish you
all the best in your retirement and
many wonderful adventures in
your RV! Love, Michelle Hooper

A NOTE FROM THE EDITORS

Hello! Sara and Avis here! We worked really hard to make this yearbook as perfect as possible and we hope you enjoy it! A massive thanks to Ms. Daly. Without her help, we would not have been able to get this yearbook even halfway done or make it look as neat as it does. Her guidance and support throughout the entire process was invaluable. We are grateful for her dedication to helping us create a memorable yearbook for everyone to cherish. Anyways, we hope that you all enjoy the yearbook, and happy graduation to the Class of 2024. ROLL CATS!

Messages From Parents and Families

Dear Class of 2024,

It has been an absolute pleasure sharing in part of your Wilmington High School experience. I've enjoyed watching you learn, compete, perform, and grow. The Class of 2024 has changed the culture, climate and expectations of WHS for the better. It has been so much fun watching each of you develop into the impressive young adults that you've become, and now you're ready to go make your mark on the world. Although I joined halfway through your high school journey, thank you for welcoming me to the WHS community. Your Wildcat Week dominance will be part of WHS history for years to come.

After many years of learning together in the same building, you'll now scatter in many directions. Embrace the new opportunities, maintain and create meaningful relationships, "work hard and be kind", and persist through the difficult moments. The only limits to what you can achieve are those you impose on yourself; anything is possible if you always do your best. Don't forget to enjoy the ride, and have fun along the way. We'll be here to celebrate and support you, even after you graduate. I'll certainly miss you all, but I'm excited to see what comes next.

Roll Cats,
Mr. Gendron

DEAR CLASS

Congratulations Class of 2024! Over the past four years you have been presented with challenges and disappointment. However, instead of giving up, getting down, or becoming complacent, you adapted and persevered. Your growth and maturity over these years have been a pleasure to observe. Life is going to continue to present you with challenges, but your ability to face these challenges and your capacity to navigate through all of the tomorrows to come is what is most important. Your future will be bright and you will prosper.

RollCats,
Mr. Staffier & Mr. Merenda

To the class of 2024,

Congratulations on making it to the end! We have had the pleasure of watching you all grow and mature in these past 4 years, and we know you will continue to thrive in all that you do beyond Wilmington High School. We have been so lucky to have amazing class officers who gave so much of their time and energy to create amazing memories that you will treasure forever. We've come a long way from your socially-distanced freshman year to an exciting senior year, filled with pep rallies and Wildcat Week victories. We hope that you will look back on your time at WHS with fondness. Now that you now have all of the tools you need to be successful, we know you will put them to good use as you set out on your next adventure.

Thank you for letting us be part of your high school experience. ROLL CATS!

Ms. Durkin and Ms. Leal, Class Advisors

OF 2024...

To the Class of 2024,

As your senior class officers, we want to express our deepest gratitude to each and every student, teacher, and administrator who guided us through the past four years. Your enthusiasm, spirit, and endless support have not gone unnoticed, and have shaped our school's community, and we know that all of you will continue to bring that positive attitude to whatever your next chapter holds. We have all grown from awkward tweens who were unable to endure a relentless pandemic, to strong and capable adults about to embrace the next part of our lives. This resilience is a true testament to the passion and dedication our class has, and our ability to bring goodness to a difficult situation. Whether it be the many excellent senior club officers, the strong sports captains, or the talented musical leaders, these driven individuals have shown that no matter how much adversity one may face, there is always room for growth and compassion. Do not forget the feeling of being with childhood friends, learning new things, or the taste of munchies cookies in the next phase of your life, and as your class officers, we cannot wait to see what you can accomplish.

Molly MacDonald (President), Alex Kennedy (Vice President), Ethan Kennedy (Treasurer), Remy Elliott (Secretary)

Dear Seniors, In the journey of life, there are moments that test our strength and courage. Yet, in the face of uncertainty, remember the timeless words of Deuteronomy 31:6: "Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you." Stay strong, stay courageous, and may God's grace continue to light your path. Blessings to you all. -Profe Noack

DECA is an organization that prepares emerging leaders and entrepreneurs in marketing, finance, hospitality, and management in high schools and colleges around the globe. Students in WHS DECA compete with either a role-play presentation or a written project, presenting to judges at the District competition in December. Members who advance go on to compete at the State Competition for a weekend in March, networking with other chapters and bonding as a club. The International Career Development Conference is the final stage of competition and will be held in Anaheim, California in April 2024. WHS DECA is the largest club in the school and students have competed and participated in Leadership Academics throughout the country, from Georgia to Bentley University. The club continues to grow and develop, teaching students lessons in business, leadership, and future endeavors.

The mission of the Lamplighters Drama Guild is to foster an environment where creativity in theater, both on stage and off, can be celebrated. One doesn't need to have any experience to join the club. All it takes is a willingness to learn, stepping outside of comfort zones, and the ability to show performing and technical skills with their peers that they can take in a myriad of life experiences. Typically, a straight play, a musical, a student scenes showcase, and guild meetings round out the year for the club.

UNDER PRESSURE

A recent study reveals that New York City, home to 421 skyscrapers, is sinking under the weight of its own buildings. Researchers from the U.S. Geological Survey and the University of Rhode Island studying sea-level rise in coastal cities found that the collective weight of the city's 1,084,954 buildings – amounting to a staggering 1.68 trillion pounds – was causing NYC to gradually sink by up to 2 millimeters per year. This, compounded with melting ice sheets linked to rising sea levels, posed a heightened flood risk to the Big Apple.
